

Dear Parents/Guardians,

Summer vacation is time of rest, renewal, and good fun! You'll want to make sure however that your child continues to grow academically during the time he or she is away from the classroom. Summer away from school can be used productively to reinforce reading skills your child worked so hard to learn during the school year. First grade is an important year in your child's education. Daily reading is critical to your child's continued success.

In this packet you will find a list of book titles of many favorites, some that parents read with their children and others that early readers will be able to read on their own. We have also included a summer reading log. Please complete the log with your child. Reading logs should be returned to your child's teacher during the first week of school.

Have a wonderful summer!

Sincerely,
First Grade Teachers
