### **May 1, 2006**

Attendance: George K., Rich C., Teri D., Joe E., Wendy W., Joe K., Celeste T.

Secretary's report – Teri shared a copy of the minutes. These are posted on the website. No changes were noted.

Treasurer's report – Tony was not available. No report shared.

Fundraiser Updates –

We will plan to pursue the same line-up of fundraisers next year (Buddy cards, Max & Erma's, Flower Sale, St. Max Fish Fry Dessert booth)

Spring Sports Status

5<sup>th</sup> grade team is undefeated, 4<sup>th</sup> grade boys are on a winning streak. We need to ask for the spring budget in January of next year. Teri suggested we ask Tony to suggest a format to coordinator to include field expenses

Registration Reminder –

Registration opened today and need to be turned in by May 12, at the banquet is OK, after that they will be charged a late fee.

Girls Basketball – Wendy and Brenda are working on a budget. Wendy will call Springdale to see about available time. Springdale was able to accommodate the cheerleaders in the dance studio, which they loved. Rich will continue to be the contact for St. Max, and Rich will check with Mercy. Wendy will schedule a date for uniform sizing for all players. Mike will check to see what lead time we need, to help in scheduling.

Volunteers Needed – We need a cheerleading coach, assuming we have girls who sign up who want to cheer.

Open Forum

George thanked those who worked so hard on behalf of the Boosters this year. He recognized progress made to date in formalizing the organization.

We talked about ways to drive increased participation at meetings. Ideas included: reduced fees for attending all meetings in a year, a door prize for \$25 worth of spirit wear, speakers that provide coaches' pointers, High school coaches, tips on how to pick a good summer camp (for March meeting)

Banquet update – Joe needs an MC and requested George’s help. Celeste offered to help with set-up since she is a St. Max parishioner and familiar with the facility. Teri offered to handle awards.

Kathy asked if anyone had heard of plans to go to volleyball light balls – we will follow CYO’s lead on this one.

Topics for June meeting:

- Cheerleading status
- Banquet report
- Girls’ basketball uniforms
- Budgets turned in
- How to welcome to 2<sup>nd</sup> grade parents (who will be third grade parents in the fall) to offer SGCS as an attractive option, explain choice of SGCS vs. Home parish, set appropriate expectations re: level of play and fees to attend games (Wendy agreed to draft something)

Respectfully submitted,

Teri D.
