q Spring Sports:

Boy's Volleyball

New to SGCS is boy's volleyball. The 7th grade boy's begin a new CYO sport for us at SGCS. Check out the CYO website for game times and GO COUGARS!!

Boy's Baseball

Combined 4th and 5th grade baseball team this year. Good Luck this season.

q FALL REGISTRATION

The next few months will bring us spring and FALL sports registration. Girl's Basketball and Boy's Football.

Boy's Football

With the many changes occurring in the dioceses with schools and re-structuring we will probably see some changes to our football program and relationship with Assumption. Please stay informed regarding football for the boys by visiting the SGCS WEB-SITE and reading the weekly PTO emails.

q What's New

With the extra monies raised during the past year's fundraisers we have been able to purchase new uniforms and replace many of the older boy's basketball uniforms. We also were able to purchase volleyball uniforms and new volley-lite balls for the girl's teams.

Our older uniforms are being donated to the boys and girls in Jamaica! Thanks to Aimee Davis and Tony Lingardo who orchestrated the donation along with Ms. Charron; the uniforms are heading to Jamaica!

Huge T-H-A-N-K-S to our Corporate Sponsors this year:

ØC&J Roofing Company

ØPlatinum Restoration

ØFiehrer GMC

ØServpro of Warren

County/Middletown
