

Saint Gabriel School

Excellence in education since 1866

Serving the parishes of Saint Gabriel, Saint John & Saint Maximilian Kolbe

A Catholic Foundation

Students start the day with prayer and have daily religion class.
Catholic values are instilled every day, in every class.

Academic Excellence

A Blue Ribbon School with 85% of students in grades 3-7 scoring at or above the national average on Iowa tests in 2019.

Nearly 100% of students who qualify to take Algebra I in 8th grade pass the state test to earn high school credit.

Weekly specials that include Art, Physical Education, Library, Music, & Computer Lab.
Enrichment programs for remedial and advanced students.

Community

A diverse community that promotes inclusion and cultural awareness.

The Everybody Counts program brings awareness and understanding of one another's physical and mental differences.

The Buddy program pairs junior high students with students in kindergarten and 1st grade to promote relationships and mentoring.

An abundance of volunteer opportunities and social events; families participate in daily school life and enjoy fellowship together.
